PHONE: 303-651-8649 FAX: 303-774-4721

Dear Event Planner:

Welcome to Longmont! I am excited that you have chosen Longmont as the location in which to hold your special event. In an effort to make the event application experience as smooth and efficient as possible, we have created this packet of information to help you plan your event and understand the requirements associated with holding a special event on public property in the City of Longmont.

The City Clerk's office acts as your primary point of contact at the City, coordinates most of your approvals internally, and can answer questions you may have about conducting a special event here. Your completed event application must be submitted to my office 45 days in advance of your event. Please be advised that certain procedures may be lengthy, such as acquiring proof of insurance, obtaining a liquor license, etc., so please plan accordingly.

We look forward to working with you to obtain approval for your event and thank you for choosing the City of Longmont as your preferred location!

## SPECIAL EVENT PLANNING CHECKLIST

### Pre-planning

- Please carefully consider your event's potential for impact on others and do your best to choose a location that minimizes negative impacts on neighbors or businesses.
  - ✓ Think about everything from emergency responders' access, to impacts on neighbors including noise and parking, to how a street closure might impact businesses in the area.
  - ✓ Feel free to call us and discuss your plans prior to reserving a location or submitting an application! We are happy to guide you in selecting the most appropriate location for your particular event.
- We encourage you to complete the "Notice of Intent to Conduct a Special Event" (Form #1) as much as one year in advance of your event. This notifies us of your plans and facilitates the City's ability to reduce conflicts between large events happening on the same day.
- The early bird gets the worm as they say. The sooner you can submit your application, reserve the location, and provide all required documents, the sooner we can process it and issue a permit!

### Getting Started: What you need to know

*Do I need to fill out the Use of Public Places Special Event Application?*

Is the public invited to your event?

Is your event going to be held on public property?

Will you be charging a fee to participants or will donations be collected from participants?

Will you be selling or serving alcohol at the event?

Will there be amplified sound?

Will you be selling things on public property?

Is the event being organized for the financial benefit of an organization?

***If you answered 'Yes' to any of these questions, you will need to complete this Use of Public Places for Special Event application form!***

*When do I need to submit my application?*

A minimum of 45 days prior to the event. Larger events or events with special requirements may take much longer to process and should be submitted substantially in advance of the event.

Please ensure your application is complete. Incomplete applications will be returned to the applicant.

*How much does it typically cost?*

Special events typically incur the following expenses:

**Special Event Permit Application Fee: \$50** - This non-refundable fee is required of all applicants applying for a special event that will be charging an entry fee, asking for donations, or selling goods.

**Facility Reservation Fee: \$35 per 100 participants** – Park fees can vary according to site, size of event, and potential impact of the event on the site.

**Sanitation costs** including trash/recycling services and port-a-potties.

**Costs for creation and implementation of a Traffic Control Plan** if streets are being closed or traffic impeded including barricade rental, marshals, and extra duty police.

**Costs associated with obtaining liability insurance coverage**

**Costs for extra duty police officers, if required** (alcohol sales, traffic control, etc)

*Each event is unique. The specific requirements of your event may require other permits and/or fees not listed here.*

*Larger events (those with more than 1,000 people) may require additional processing fees, deposits and forms and will be handled on a case-by-case basis.*

*Events of 7,500 or more people to be held on City-owned land south of Union Reservoir are subject to additional policies and fees. For further information, please contact the Clerk's Office.*

*What can I expect after I submit my application?*

The City Clerk's Office is the main point of contact for Special Event Permit applications for all events on public property. A staff person will be in constant communication with you as your application moves through the review process to communicate any questions, deficiencies or challenges, should they arise. **It is vital that you respond promptly to any inquiries so that the processing of your permit is not delayed.**

If there are street closures, you will be required to attend a Traffic Control Meeting. The City Clerk's Office will work with you to schedule this meeting.

Once your permit has been issued and is ready for pick up, the Clerk's Office will notify you.

1. The services and activities provided by the event are those of an independent entity and not as an employee, officer, official, or agent of the City, unless the event is City-sponsored.
2. The responsible organization shall indemnify and hold harmless the City, its officers, officials, and employees from and against any and all damage and loss to person or property and shall defend the City from any and all claims, demands, suits, actions, or proceedings of any kind, including costs of actions and reasonable expert fees and attorney fees incurred by the City in any way resulting from or arising out of the community event. This provision shall not and is not intended, in any way or manner, to waive or cause the waiver of the defenses or limitations on damages provided by the Colorado Governmental Immunity Act, Section 24-10-101 et seq., Colorado Revised Statutes, the Colorado Constitution, or the common law or laws of the United States or Colorado.
3. The responsible organization shall procure and maintain, at its own cost, liability insurance in the amount specified by the City. Such insurance shall be in addition to any other insurance requirements imposed by law. The City of Longmont cannot issue permits or approve activities on behalf of other jurisdictions, such as the County Health Department, Sheriff's Office, State Patrol or Boulder County Fairgrounds. It is the responsibility of the organization or event planner to secure the necessary approval from other entities and to demonstrate said permission to the City of Longmont.
